STUDY ENGLISH AND ATTEND AN AMERICAN COLLEGE

ABOUT THE COLLEGE YEAR PROGRAM

Have the Study Abroad experience of a lifetime by joining the ELS College Year Program! Begin with 16 weeks* of study at ELS San Francisco-North Bay, located on the beautiful campus of Dominican University of California in San Rafael, California. After completing your English language studies at ELS, transfer to one of our three college partner programs at either Foothill College, De Anza College, or Santa Rosa Junior College where you will complete a full, first-year semester or quarter. You'll be able to choose from a wide selection of first-year courses at the college and will earn course credits that you may be able to transfer to a university program at home. The ELS College Year Abroad Program will provide you with a cultural and English language immersion experience that will enrich your life, and support your future study goals!
